

Local Dentist Achieves Board Certification by the American Board of Pediatric Dentistry

WEST HARTFORD, Ct., November 22, 2011... Elizabeth Cipes Chisholm D.M.D. , Cipes Pediatric Dentistry, has been named a Diplomate of the American Board of Pediatric Dentistry (ABPD) -- the only certifying Board recognized by the American Dental Association (ADA) for the specialty of pediatric dentistry.

ABPD's mission is to verify to the public and to the health professionals that a pediatric dentist has successfully completed both an advanced educational program accredited by the ADA Commission on Dental Accreditation and a voluntary examination process designed to validate the knowledge, application, and performance requisite to the delivery of exceptional care in pediatric dentistry.

ABOUT DR. CHISHOLM

Dr. Chisholm, a third-generation dentist, is in practice in West Hartford. After graduating Phi Beta Kappa with a B.S. degree in biology from the University of Massachusetts- Amherst, Dr. Chisholm earned a four-year dental degree from the University of Connecticut (UCONN) School of Dental Medicine. She continued an additional two years with specialty training in pediatric dentistry-- an advanced degree in the treatment of infants, children and adolescents -- through the UCONN School of Dental Medicine and Connecticut Children's Medical Center.

During her residency program, Dr. Chisholm's research focused on improving the dental experience for children with Autism Spectrum Disorder. Her educational honors include the Pierre Fauchard Award for leadership and accomplishment in the advancement of the dental profession, the Community Dentistry and Dental Public Health Award from the American Association of Public Health Dentistry, the American Academy of Pediatric Dentistry Pre-doctoral Student Award and the Dr. Loeb Prize awarded for leadership in dentistry
